

NSA Approved Softballs for Rogers Adult League

All NSA softballs manufactured after January 1, 2018 will not have the COR or Compression stamped on the softball

NOTE: The words "Official Softball" indicate 52 cor/275 compression

NOTE: Teams will be allowed to use softballs that were purchased in 2017 that have the 52 cor/275 compression stamped on them, as long as the softball has one of the stamps listed above

NOTE: The Men's Open division and Men's Industrial division will use the twelve (12) inch softball. The Coed division will use the twelve (12) inch softball for men and the eleven (11) inch softball for women
